## **Please join us in welcoming Bayonne Hospital Employees FCU to the Liberty Savings family!**

Liberty Savings' community of members continues to blossom! We're excited to announce our latest merger with Bayonne Hospital Employees Federal Credit Union. Founded in 1888, Bayonne Hospital has a long history of caring for thousands of residents from New Jersey, New York, and beyond. In an effort to better meet the financial needs of employees, affiliates, and their families, the hospital founded the credit union in 1976. Now looking toward to a new chapter in its history, Bayonne Hospital Employees FCU is excited to join the Liberty Savings FCU family. We are honored to welcome this group of essential medical workers as members. Please join us in making our new members feel right at home! The more Liberty Savings FCU members we have, the stronger we are together.

\* All loan eligibility, financing terms and rates are determined by LSFUCU and are based on the borrower's credit worthiness. Loans in our Plus Program, existing Liberty Savings auto loans, and/or previously owned vehicles driven over 100,000 miles are not eligible to receive additional 1% discount. Rates are subject to change without notice. Offer valid between 7/1/20 and 9/30/20.

## MESSAGE FROM THE PRESIDENT

My Fellow Members,

The warm summer weather is upon us. With all that's occurred over these past few months, it's important to offer our entire community one thing—congratulations. That notion may sound surprising, but please consider all that we've accomplished in the face of uncertainty. We live in a complicated time, but nonetheless choose to progress forward towards a more thoughtful future on three fronts: the body, spirit, and mind.

Let's all take a moment to recognize these achievements. First, congratulations to our entire community for continuing to persevere through the pandemic. I would personally like to thank all essential workers for their hard work and dedication, especially our Liberty Savings employees who have gone above and beyond expectations to ensure our continued operations. In support of our local community, Liberty Savings has made a donation to The Sharing Place food pantry to assist our neighbors who may need just a little extra help at this time.

Congratulations to a group commonly celebrated at this time of year—the graduating classes of local schools. Your road had plenty of obstacles, but you still completed this milestone. With this in mind, we have once again donated to the Hearts and Minds Scholarship Fund at Saint Peter's University. We look forward to seeing how this investment in students' futures will create a brighter tomorrow.

I would also like to extend my congratulations to Marian Fitzpatrick on her retirement after 24 years with Liberty Savings. We all wish her the very best, and hope that this brings her the opportunity to do all she ever wished to do but could never find the time.

I couldn't be more excited about welcoming all of the members of the Bayonne Hospital Employees Federal Credit Union into our family. Together, we will travel forward with clear vision to ensure brighter, bolder and stronger financial futures. We're proud to see positive feedback from both the surrounding community and national industry leaders. From our new branch opening in Bayonne to receiving a CUNA Best In Show Diamond Award for our brand awareness marketing, we're honored to see our credit union initiatives gain recognition. None of our successes and growth would be possible without members like you. You are the power that drives us forward and makes us stronger.

Finally, thank you to our community members who are helping to highlight social change and those who keep us safe. As a credit union that started as a resource for Jersey City educators, Liberty Savings knows the power of coming together as one in this corner of the world. We have always been an institution strengthened by the diversity of our membership and our community. Our commitment to quality, affordable financial services for all of our members is a strong today as it has been for nearly 70 years.

Sincerely,

Maria Solorzano  
President/CEO

## Holiday Closing Reminders

## A very happy retirement to Marian Fitzpatrick

After 24 years of service, Marian Fitzpatrick is retiring from the Liberty Savings family. Marian joined Liberty Savings in 1996 greeting members at the front desk. Over the years, she has risen through the ranks to become an important part of the administration team but you'll still find her at the teller window too. In a member survey contest 1,500 members voted Marian to be the teller with the best service.

Marian's dedication regularly allowed her to develop deep personal bonds with many members and their families. Her presence will be missed, but we are nonetheless excited for her next chapter! We cannot wait to see how she continues to serve the community through her work with her local church. She also looks forward to spending more time with her children. Congrats to Marian on her incredible career and upcoming adventures!
